

LA CIDRA

Flavour notes

PLUM / CHOCOLATE / CARAMEL

A tasty subscriber exclusive, La Cidra from Lempira, Honduras is a sticky, sweet espresso, filling your cup with notes of caramelised plum and chocolate. Produced by Renato Sánchez, we've been purchasing coffee from his farm for many years. Understanding coffee from a very young age, his father owned a coffee farm before his birth. Teaching him the importance of hard work and attention to detail, he was able to obtain his high school education. Collaborating closely with his family until the age of 25, Renato then began developing his own coffee farm and planted the Catuai variety on a 1-hectare farm his father bequeathed to him. Continuously cultivating coffee and purchasing more plots of land, he continued this process until he developed the farm he possesses today!
