

# RUGALI

*Flavour notes*

**BLACK CHERRY / CHOCOLATE / SILKY**

An exclusive just for filter subscribers, Rugali from Rwanda gives you the chance to try one of the current components of The Filter Blend as a single origin! From the region of Nyamasheke, Rwanda, this coffee elevates your cup with deep notes of cherry and silky chocolate. Produced by the Rugali Washing Station situated on the shores of Lake Kivu, the drying conditions and wind flow are ideal for post-pulp drying. Operational since 2016, the station has already had an impact on the speciality market, producing exceptional coffee that has been used in competitions worldwide and putting the Nyamasheke District on the map!
